IMPORTANT NOTICE

MCCOURTNEY LABORATORY PERSONNEL

In an effort to better assist McCourtney laboratories with waste demands, RMS has increased the frequency of McCourtney's pick-ups from bi-weekly to weekly. These scheduled pickups will occur on Thursday mornings.

If you have any waste related questions or concerns, please feel free to visit the Risk Management & Safety Hazardous Waste web page (click [here](#)) or contact Chad Rist via email at crist@nd.edu.

Feel free to distribute this notice as appropriate.
