Jack Stand Recall

RISK MANAGEMENT & SAFETY

Date: May 2020
Category: Product Recall

Contact RMS:
Tel: 1-5037

IMPORTANT SAFETY NOTICE

Harbor Freight has issued two separate jack stand recalls due to a safety issue. Please inspect each of your jack stands and remove any of the affected models from service. The recall notice below provides information on where to find model numbers and actions to replace the stands. If you find an affected stand, please inform MB Greendonner (mgreendo@nd.edu).

SAFETY RECALL

3 Ton and 6 Ton Heavy Duty Steel Jack Stands item numbers 56371, 61196, and 61197

For certain units of the Pittsburgh Automotive 3 Ton and 6 Ton Heavy Duty Steel Jack Stands there is a potential, while under load and with a shift in weight, for the pawl to disengage from the extension lifting post, allowing the stand to drop suddenly. This condition could cause serious injury for people near or under a lifted vehicle, and/or damage to property.

STOP USING THESE JACK STANDS IMMEDIATELY

ITEM #: 56371

56371 jack stands can be identified by checking the item number found on the label on the top of each jack stand

ITEM #S: 61196, 61197

61196 and 61197 jack stands can be identified by checking the item number found on the yellow part of the label on the base of each jack stand.

THIS RECALL ONLY CONCERNS JACK STANDS WITH THE ITEMS #61196, 61197, or 56371

The 61196 and 61197 jack stands can be identified by checking the item number found on the yellow part of the label on the base of each jack stand. The 56371 jack stands can be identified by checking the item number found on the label on the top of each jack stand.

Following the lifting of any applicable "Shelter At Home Orders", please bring your 3 Ton and/or 6 Ton Heavy Duty Steel Jack Stands, item numbers 61196, 61197, and 56371 to your local Harbor Freight Tools store to receive a Harbor Freight Tools gift card equal to the retail price of the jack stands you originally purchased (plus applicable tax).
