NEW ONLINE RESPIRATOR VOLUNTARY USE FORM

Respiratory Protection Voluntary Use forms can now be completed online. RMS collaborated with the Office of Information Technology to create this online form for employees who are not required to wear respirators as part of their job, but choose to voluntarily wear them.

Employees may wish to wear respirators for additional protection against ambient materials that are not producing negative health exposures or to minimize nuisance levels of ambient materials. This is considered voluntary use of a respirator. Employees are required to complete this form only one time during their course of employment with the University.

If you or your staff are wearing respirators voluntarily, you can complete the form by visiting the [Respiratory Protection](#) page on the RMS Website and clicking on the Respiratory Protection Voluntary Use Form. Please direct any questions to Erin Hafner ehafner@nd.edu 574-631-7889.

Please direct any questions to Erin Hafner ehafner@nd.edu 574-631-7889.

Feel free to distribute this notice as appropriate.

All safety communications can be found at <http://riskmanagement.nd.edu/safety-alerts/>.
