

You Are Invited

Risk Management & Safety is excited to announce that effective July 1, 2022, **EHS Insight** will be the new system for conducting and documenting safety inspections on campus.

This system is designed to make inspection processes more efficient and user-friendly. Within the tool, you can view completed assessment reports and track action items to completion for your laboratory, shop, building, department, and work areas. You will also have access to a variety of useful reports that provide essential data from assessments, as well as customizable dashboards.

The RMS team will be hosting virtual Zoom training sessions the following days and times:

- Wednesday, June 22nd – 11:00am, 1:30pm, 3:00pm
- Thursday, June 23rd – 10:00am, 1:30pm, 3:00pm
- Monday, June 27th – 10:00am, 1:30pm, 3:00pm
- Tuesday, June 28th – 1:30pm, 3:00pm

This is your opportunity to become familiar with system functionality and provide us with feedback.

The following topics will be covered:

- Dashboard Navigation
- Completing an inspection
- Assigning and managing action items
- Reporting
- Questions and Feedback

Please complete the RSVP form using the link below and be sure to mark your calendars for the session you plan on attending. We look forward to seeing you then.
